Purchase a replacement bulb. It's important that you get the correct bulb for your year, make and model vehicle. Try asking the clerk at your local auto parts store to look it up in their system, or try checking the auto maker's website for the code indicating which headlight to use. Headlight codes are usually comprised of letters and numbers like H11B or D3S.

How to Fix a Low Beam Headlight: 13 Steps (with Pictures)
