Crime in South Africa includes all violent and non-violent crimes that take place in the country of South Africa, or otherwise within its jurisdiction. Crime levels have been attributed to poverty, problems with delivery of public services, and wealth disparity. The Institute for Security Studies also highlighted factors beyond poverty and inequality, particularly social stress from uncaring ...

Seven thousand Jewish businesses were damaged or destroyed, and over a thousand synagogues were burned. And 30,000 Jews were arrested and put in concentration camps. This was a turning point from earlier economic, political, and social persecution to physical beatings, incarceration, and even murder. It was the beginning of Hitler's "Final ...
