Canadair CL-215 Airplane Flight Manual 1974 - 1994 ...

The original version, the CL-215, had its maiden flight in 1967 and went into production in 1969. The aircraft was later advanced by Bombardier into the 415 which was introduced in 1994. Recognized as the best aerial firefighting aircraft in the world, the Bombardier 415 - also known as the SuperScooper - needs only 12 seconds to scoop its 6,137-litre load while skimming at high speed over water.
