"Dinkas Massacre" commenced in South Sudan. Forces led by the breakaway faction of Riek Machar deliberately killed an estimated 2,000 civilians in Dinkas of Hol, Nyarweng, Twic, Bor and others in villages and wounded several thousand more over the course of two months. It is estimated that 100,000 people left the area following the attack.

colleagues (July 28, 2018, p 302) I found that there was a causal relationship between exposure of black Americans to police killings of unarmed black people and deterioration of their mental health. This is an important research endeavour, but we are concerned the methods used in the study could undermine an important message.

The fear of stigma and discrimination also acts as a powerful barrier to

Access Free Bor Study Guide

healthcare. For example, people living with HIV who perceive high levels of HIV-related stigma are 2.4 times more likely to begin HIV treatment late, when their health has already been compromised, compared to people who are less aware of stigma.⁴² It can also affect how long people stay in care.
