Business Statistics Pearson 5th Editions

The American Statistical Association has found that students are most effectively motivated to learn statistics when they see statistics at work in real applications, cases, and projects. In keeping with this finding, Business Statistics by Example, Fifth Edition introduces every topic by means of real examples from today's business world. The text includes many updated case studies and exercises and new, menu-driven, user-friendly ASP statistical software.

Sincich, Business Statistics by Example, 5th Edition | Pearson
