Our world is moving towards an economic crisis because of pandemic COVID19. In this crucial time, we prefer saving our goods & assets in order to safeguard our future. But, is it safe to trust today's centralized platforms where they use third parties to save our assets? Or did you ever thought, who has complete [...]

Era Swap - A Decentralized Autonomous Organization ...

Decentralized economic social organization, DESO, is based on dialogical, consensus-based, community decision making processes, which is precisely why it will supersede mass centrist society. E. Schein says that creative thinking is generated in real dialogue. By contrast, from what I gather, the use of dialogue is uncommon in capitalistic organizations that prefer management delegated to “system's men” in positions of control.

Dialogue is the Basis of Community | Decentralized ...

DESO's [Decentralized Economic Social Organization] production-based economy defends human dignity. It stimulates, and finances, the ongoing development of culture, aesthetic and scientific. Simultaneously, it capitalizes the private productive enterprises of its people.

Excerpt from - Introduction to Section Four ...

By contrast, community in decentralized economic social organization, DESO, does not include representational government, does not legislate, and does not include political parties. Theoretically, existing democracies are supposed to provide citizens with security and the right to “...express themselves without the danger of severe punishment...”

Contents

The concept is neither politically right nor left, and at once, is the radicalization of each; community without the need of an executive government, and without taxation, but with public productive enterprise, but also, with private productive enterprise, with participatory, dialogical-consensus-based, civic decision making processes – a structured organization.

Window Punch Review for 2020: It's Quieter than a Rock ...

All prevailing convention to one side, DESO is structured for economic and civic independence – the decentralization of power – that it never, not even for a moment, outreaches the hands of the people. That is a structural challenge that has been met in the context of the DESO formats. You be well. Yours, Reed Kinney
