Defiance The Bielski Partisans

Defiance paints a very good picture of what

life as a partisan was like. Tec presents the life warts and all, even presenting detail about how the locals felt about the partisans. At one level the book fails. Tec seems to be trying to paint a picture of partisan life and write a biography of Tuvia Bielski, as a biography the book fails.

By the end of World War II, the Bielski Partisans had rescued over 1200 Jews. Because of the nature of the time, the book is formed mainly on interviews from the survivors, so there are many times when there is no real resolution to some of the small stories in the book.
