If you end up making any sort of injury claim after the accident, it's crucial to be able to document the fact that you sought medical treatment within a reasonable amount of time. If you wait too long to see a doctor, the insurance adjuster is going to argue that you couldn't have been all that injured. Do Not Settle Right Away

What if My Car Accident Injuries Appear Late? | Nolo

A lien is a claim against someone's property to secure payment of a debt. If you successfully recorded the judgment in the county clerk's office, you can now use that judgment to assert a lien against the defendant's real estate. Basically, you do this by recording your judgment against a particular property.

Yes, you can settle your case. Workers' compensation cases can settle in a variety of ways. You can settle the wage loss part of your claim, the medical portion, or both. Far more often than not, the insurance carrier will only be willing to settle both. Settlement is a voluntary process.

Pennsylvania Workers' Compensation ... - Stern & Cohen, P.C.

A subpoena (pronounced "suh-pee-nuh") is a request for the production of documents, or a request to appear in court or other legal proceeding. It is court-ordered command that essentially requires you to do something, such as testify or present information that may help support the facts that are at issue in a pending case. The term "subpoena" literally means "under penalty".

What Is a Subpoena? - FindLaw

By investigating your claim and utilizing the information and evidence they have uncovered, proving negligence and damage can be a breeze compared to if you went at it alone. The compensation you deserve may only be a phone call away. Contact our law firm today to get started on your injury claim.

Unemployment rates after brain injury are relatively high and many insurance companies do not cover the costs of therapy, adding to financial stresses. Brain injury often brings on drastic personality changes which may include irritability, depression, limited awareness of injury-related changes, and argumentativeness.
