Wong's Essentials of Pediatric Nursing - 10th Edition

Program Description The UCLA School of Nursing Prelicensure program for undergraduate study leading to the Bachelor of Science (B.S.) degree in Nursing graduated its first class in 1954. The B.S. Prelicensure program is designed to prepare students for a career in professional nursing practice. This is a traditional, four-year program beginning in the freshman year.

Bachelor of Science | Nursing

Training is done using reliable data. Over time, retraining can occur using newly created data. 4 For example, to predict patient lengths of stay based on their diagnosis, an algorithm would be written and trained on accurate and reliable data. These include electronic health records, medical claims, facility supply chain, and patient-generated data.
