### (PDF) Entrepreneurship : theory, process, practice

Entrepreneurship is an act of being an entrepreneur, or "the owner or manager of a business enterprise who, by risk and initiative, attempts to make profits". Entrepreneurs act as managers and oversee the launch and growth of an enterprise. Entrepreneurship is the process by which either an individual or a team identifies a business opportunity and acquires and deploys the necessary resources ...

What are the ethical issues we need to be thinking about in light of driverless cars? This is a great example of the "trolley problem." You have a situation where the car might have to make a decision to sacrifice the driver to save some other people, or sacrifice one pedestrian to save some other pedestrians.
