The Theme Building is a structure at the Los Angeles International Airport which opened in 1961 and is another example of Googie architecture. It was said that the distinctive white building resembles a flying saucer that had landed on its four legs. The Los Angeles City Council designated the building a cultural and historical monument (no.570) in 1993.

Westchester, Los Angeles - Wikipedia

The Richard J. Riordan Central Library in downtown Los Angeles is both a leading public research library and a major architectural landmark. Comprised of the original 1926 library now called the Goodhue Building and a 1993 addition named for former mayor Tom Bradley, it ranks with the Bradbury Building
