## **Series 1999- ) - IMDb**

Documentaries have been made in one form or another in nearly every country and have contributed significantly to the development of realism in films. John Grierson, a Scottish educator who had studied mass communication in the United States, adapted the term in the mid-1920s from the French word *documentaire*.

## **Documentary film | motion picture | Britannica**

Documentary Film is a broad category of visual expression that is based on the attempt, in one fashion or another, to document reality. Knowledge comes in different ways through our five senses. Hearing, watching, touching, smelling and tasting are the only doorways to the outer world.
