At present, my suggestion for Z camera owners is that they pay closest attention to the SB-500 and SB-5000, as those are two most versatile units that are fully supported by the in-camera menu system. I'm on record as saying that most Z System camera owners should at least have an SB-500 in their kit.

Don't look now, but it seems Amazon has quietly ended support for its oldest Kindle models. Numerous Kindle owners are reporting on Mobileread that their old-model Kindles can no longer connect to Amazon's servers over 3G, and in several cases can't be registered with Amazon.. The Kindles in question include the Kindle DX, the original Kindle, and the Kindle 2.
