### [PDF] [EPUB] Proust and the Squid: The Story and Science ...

Lively, erudite, and rich with examples, Proust and the Squid asserts that the brain that examined the tiny clay tablets of the Sumerians was a very different brain from the one that is immersed in today's technology-driven literacy.

### Proust and the Squid | Maryanne Wolf | download

A decade ago, Maryanne Wolf's Proust and the Squid revealed what we know about how the brain learns to read and how reading changes the way we think and feel. Since then, the ways we process written language have changed dramatically with many concerned about both their own changes and that of children.

### Similar authors to follow

Although Maryanne Wolf has recently (2018) published 'Reader, Come Home', 'Proust and the Squid' published in 2008 is still very relevant. Neuroscience has advanced tremendously, and as 'Reader Come Home' tells us what the advances have been and what is still unknown, 'Proust' tells us what basics we need to know about the origins of literacy - no, we never had a 'reading' gene.

### Proust and the Squid: The Story and Science of the Reading ...

It's the perfect time for me to reflect and write about Maryanne Wolf's Proust and the Squid: The Story and Science of the Reading Brain. At the start of each chapter, Wolf begins with a quote to set the tone for the forthcoming information. I see great value in this and will provide one of the quotes in this and each entry that follows ...
