Systematic attempts to evolve a system of perspective are usually considered to have begun around the 5th century B.C. in the art of Ancient Greece. The earliest art paintings and drawings typically sized objects and characters hierarchically according to their spiritual or thematic importance, not their distance from the viewer .

But what is the possible explanation for Betelgeuse's behavior? War in Heaven. War broke out in the first creation in the spiritual realm in the Heavens (Revelation 12:7) due to the gods and sons of gods revolting after they found out the 144,000 bondservants mentioned in Revelation 7:3-4 would rule over them. This spiritual creation and revolt all occurred on the Pleiades.
