Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

Why Lawsuits Are Good For

A good attorney should counsel his client as to both the strengths and weaknesses of the client's case (in almost all cases there are both) and guide the client towards the practical. If for whatever reason, any of the parties or their counsel has his head stuck in the clouds, the costs of litigation will reach there too.

In employment discrimination lawsuits, the business always loses, even if that loss is a diminished public reputation. Consequently, creating a work culture and environment for employees that encourages diversity and discourages employment discrimination in any form is critical for your success.

How to Prevent Employment Discrimination and Lawsuits

One worrying trend is the increase in companies buying liability insurance to defend against sexual harassment lawsuits, because companies may treat sexual harassment as a cost of doing business rather than addressing it, Wilson says. "The fact is it's going to cost the company more to do the training and compliance than buying insurance.

What it really takes to stop sexual harassment
